

Electronic Lien and Title (ELT)

Premier Solutions. Premier Support. Premier Service.

Decision Dynamics, Inc. (DDI) is an industry leader providing Electronic Lien and Titling (ELT) services to over 3,000 lenders across the nation. DDI's Premier eTitleLien® solution allows lenders to receive and release vehicle titles electronically, all within an easy-to-use, secure, web-based application. Lenders will have the ability to view and maintain their entire title portfolio with a few simple clicks.

Decision Dynamics (DDI) strives to provide the highest quality titling and registration solutions to customers through secure enabling technology and a relentless focus on our core values and customer service.
